

Description of CDs by Artur

1. **Getting in Touch with Mantras** (with Mantras)
Mantras underlie all that is manifested and constitute a powerful instrument for the transformation of our being.
2. **The Healing of Fear**
How to attune to the levels of reality where fear does not exist.
3. **In the Temples of Healing**
There are ways to contact the subtle healing energies of the intraterrestrial center of Mirna Jad.
4. **Where Should We Be?**
We are being prepared to communicate consciously with supranatural worlds and to find our place in evolution.
5. **Mirna Jad and the New Energy System**
The planetary centers are becoming activated and the centers of the right side consciousness are becoming awakened in humans.
6. **The Circulation of Energy**
Before we enter the flow of creator-energy we have a lot to learn. Universal life teaches us the correct use of sex, money, speech, desire and thought.
7. **Healing and the Mutation of the Earth**
Interaction among the dimensions—intra-oceanic, intra-terrestrial, and the surface of the Earth—provides us with a wellspring of healing energies.
8. **The Space Gardeners and Us** (with Mantras)
By using analogy we can glimpse greater truths. The action of higher consciousnesses and universal laws is a precious gift in which we can share. (series-The Space Gardeners 1 of 2)
9. **The Language of the Gods**
Seen in a new light, hermetical keys of sacred languages from the past renew the contact between humans and the devas and angels.
10. **Beareres of Stellar Light** (series-The Space Gardeners 2 of 2)
Transcending what we are gives us a key to be able to receive the impulses brought by stellar Entities and Hierarchies.
