

The Pocket Book Series

This is an English translation of seven pocket books that were assembled with the aim of summarizing some of the information contained in the books we have published since 1987. This Pocket Book Series was the only English language source of this material at the time of its publication.

Inspired by these books, spiritual study groups have begun gathering in various countries for silent prayer and reflection and development of their inner potential.

Each book in this series has a way of sparking the impulse to enter the essence of one's being, to become one with the inner world. Although each book is complete in itself and independent of the others, together they represent a journey directing the reader to a new stage in his or her life. This collection is intended for those who feel called to imbue their lives with sublime principles.

The Light Within You, the first book in the series, gives readers some thoughts for consideration, which may lead them to discover the seed of light within.

Doorway to the Kingdom represents the stage when, once this seed has sprouted, it breaks through the earth and comes into contact with the sun, the air and larger plants that help protect it. It is about contact with the planet's energy centers, which are aiding the development of the souls of human beings.

We Are Not Alone expresses the stage when the stalk has started to form. We grow in awareness of a path to be followed, of choices to be made toward evolution and of tests to go through so that the true purpose of our time on Earth is fulfilled.

Winds of Spirit suggests the stage in the plant's life when it is concentrating on its leaves, breathing in harmony with the rhythms of the Universe. This book is dedicated to prayer. It inspires us and imbues us with clarity to deal with material things.

Finding the Temple is the time when the plant blossoms in beauty and harmony. It invites us to cross the threshold into spiritual consciousness and to participate in the life of groups of souls, and in the work of the planetary Hierarchies.

There is Peace represents the time when the tree bears fruit. The words are nourishment for a life of service that readers may have already started, or for which they may be preparing.

Finally, **Path Without Shadows** represents the stage when, once the tree has borne fruit, it offers its seeds for the birth of new plants. These writings include a series

of mantras in Irdin, a cosmic language, along with their musical scores, to be used individually or in groups.

These books carry an energy that stimulates the beginning of a new journey of discovery, helping pilgrims return to their immortal origins, their true home.

They are offered during these times of special opportunities being granted by the Spirit.
